**2023** Ducato based model

2.2ltr 140bhp **Automatic**

3-berth rear kitchen coachbuilt

A 3-berth, low profile version of the every-popular Nuevo model. This EKESLP blends the spaciousness and versatility of the Nuevo with the convenience of a half-dinette with two forward-facing, belted travelling seats. The dinette easily converts into a two berth bed, with the side-facing settee providing a generous single berth. Both can be combined to produce a full-width large double berth. For extra convenience, the living area is serviced by habitation air conditioning and the layout is completed by a rear-mounted, fully-equipped kitchen and the swingwall bathroom that is synonymous with the Auto-Sleepers brand. For a motorhome that is under 6 metres, there is generous storage that comprises under-seat, over-head and over-cab lockers.
